

STATEMENT OF PURPOSE

RS18523

This is a FY 2009 supplemental appropriation to the Board of Nursing within the Department of Self-Governing Agencies. This funding is to provide spending authority for fingerprinting fees collected in 2009 to conduct background checks. The Idaho State Police do the actual background check and the Board of Nursing collects the fees and transmits them to ISP. Legislation passed in 2005 that mandated the background checks but the agency did not request sufficient spending authority

FISCAL NOTE

This bill appropriates an additional \$28,000 to the agency from their dedicated Regulatory Fund on an ongoing basis.
